

OBJETIVO

Comprender el sentido general, los puntos principales e información de textos orales, bien estructurados, transmitidos de viva voz o por medios técnicos (teléfono, televisión, megafonía, etc.), articulados a una velocidad normal, en un registro formal o neutro y siempre que las condiciones acústicas sean buenas y el mensaje no esté distorsionado.

Estos textos versarán de temas habituales, preferentemente en los ámbitos personal o público.

Producir textos orales, principalmente en comunicación cara a cara, pero también por teléfono u otros medios técnicos, en un registro neutro.

Comunicarse de forma comprensible, aunque resulten evidentes el acento extranjero, las pausas y los titubeos y sea necesaria la repetición, la paráfrasis y la cooperación de los interlocutores para mantener la comunicación.

Preparar a nuestros alumnos para presentarse con garantías de éxito a los exámenes oficiales de los niveles A1 al B2 del Marco Común Europeo y del First Certificate.
